MEMORANDUM FOR: Chief, Career Trainee Division, OTE

THROUGH: Chief, Career Development Staff, DS&T

FROM:

Director, Foreign Broadcast Information Service

SUBJECT: Curtailment of CT Program for FBIS Employee

1. FBIS would like to assign Information Officer [redacted] to a position that has just become available at the FBIS Bangkok Bureau. [redacted] has indicated that she desires the assignment and would like to take advantage of the opportunity, which will not arise again for at least 2 years. With her strong editorial skills, [redacted] would be a much needed asset at that bureau. In return, service at Bangkok would give her a broad variety of experiences not available at other bureaus to which junior editors are usually assigned for a first overseas tour. [redacted] strong potential to advance rapidly makes an early challenge desirable and appropriate for her. [redacted]

2. Because the incumbent editor at Bangkok is unable to extend his tour to accommodate a later arrival, [redacted] would need to begin PCS outprocessing by mid-June 1987 at the latest. I understand that this timing will eliminate one interim CT assignment, but that an early release from the CT Program will not jeopardize [redacted] standing as a successful CT graduate. I therefore request that [redacted] be released from the CT Program by mid-June 1987. [redacted]
